ABOUT OSCI

The All Odisha SC-ST Chamber of Commerce and Industries has been working SC-ST community in Odisha faces significant challenges and deprivation in terms of access to schemes and basic facilities. Our Chamber of Commerce is committed to empowering SC-ST entrepreneurs and uplifting their socio-economic status. Through our extensive network covering 30 districts of Odisha and a forward looking, proactive and dynamic PAN-India, we provide comprehensive services for entrepreneur development, including training, knowledge sharing, and exposure to new opportunities. OSCI works at the grass roots level with strong national linkages for propelling progress, harmony, and integrated development of the Indian economy.

Our vision is to create a vibrant and inclusive entrepreneurial ecosystem in Odisha and other States in India where SC/ST entrepreneurs are recognized as catalysts for economic progress. We envision a future where SC/ST entrepreneurs have equal access to financial capital, mentorship, market linkages, and skill development programs. Through our efforts, we aim to foster a culture of entrepreneurship that celebrates diversity, empowers individuals, and fosters economic self-reliance among the SC/ST communities

Sadhu Ram Chhatriya,
President

ACKNOWLEDGEMENT

It is a pleasure to write this acknowledgment on behalf of All Odisha SC-ST Chamber of Commerce and Industries (OSCI) for making **Capacity Building Program on Foreign Trade, Logistics and Exporters Meet** success. At the outset, we would like to thank the Agricultural and Processed Food Products Export Development Authority (APEDA), Ministry of Commerce and Industry, Government of India, SOA University and SIDBI for putting their faith in us for contributing towards Capacity Building Program.

We would like to thank our Chief Guest Prof. Dr. PK Nanda, Vice-Chancellor, SOA UNIVERSITY, Bhubaneswar for gracing the event. We are extremely grateful for accepting our invitation.

We would also like to thank other dignitaries – Shri Amit Kumar, ITS, Joint Director of Foreign Trade, DGFT, Kolkata, Shri S K Mandal, Regional Head Kolkata, APEDA, Shri Pradyumna Kumar Choudhury, Deputy General Manager, SIDBI, Shri Swastik Swain, Secretary General, OSMEE, Ms. Nimeshika Natarajan, Assistant Director, World Trade Centre (WTC), Shri Bijay Kumar Jamuda, AGM, NABARD, Prof. Dr. J R Das, Dean (Student Welfare), SOA University, Prof. Dr. S K Rout, Dean (Agriculture Science), SOA University, Representative from MSME, Mr. Sibaprasad Mallick General Secretary, OSCI, Mr. Varun Yadav, OSCI for their timely support and guidance during and before the event.

OSCI would also like to thank all the speaker who played a very important role in making this event interactive and informational. We would also like to thank other delegates and participants who took interest in joining the Capacity Building Program on Foreign Trade, Logistics and Exporters Meet. We hope that the deliberations and discussions during the programme session can come up with some more innovative and creative ideas to help promote this movement across the country.

PROCEEDINGS

Inaugural Session

All Odisha SC-ST Chamber of Commerce and Industries (OSCI) with the support of the Agricultural and Processed Food Products Export Development Authority (APEDA), Ministry of

Commerce and Industry, Government of India, SOA University and SIDBI inaugurated the Capacity Building Program on Foreign Trade, Logistics and Exporters Meet on 17th January 2025 at Campus – II, SOA University, Kalinga Nagar, Bhubaneswar, Odisha.

The program was inaugurated by Prof. Dr. PK Nanda, Vice-Chancellor, SOA UNIVERSITY, Shri Amit Kumar, ITS, Joint Director of Foreign Trade, DGFT, Kolkata, Shri S K Mandal, Regional Head Kolkata, APEDA and Mr.Sadhu Chhatriya, President, OSCI.

Mr. Sadhu Chhatriya, President of OSCI, delivered the welcome address, extending a warm welcome to all esteemed guests attending the program. He emphasized the significance of organizing the APEDA program in the state of Odisha, highlighting its potential impact on the region's agricultural and export sectors. Additionally, he provided an overview of OSCI's mission and vision, underscoring its commitment to promoting industry growth, fostering collaboration, and enhancing opportunities for stakeholders in the sector.

During the inaugural session **Prof.Dr.PK.Nanda,Vice-Chancellor, SOA UNIVERSITY** in his special address appreciated OSCI's efforts in organizing this program which is the need of the hour. He further deliberated on the efforts of the Exports and Foreign Trade of the Odisha for providing assistance and hand-holding support to the youth, start-ups and MSMEs as there is a lot of scope and opportunity for these stakeholders.

Shri. Amit Kumar, ITS, Joint Director of Foreign Trade, DGFT, Kolkata, Ministry of Commerce and Industry, Government of India, Guest of Honour address mentioned the promote growth and

development of export and import business. He further mentioned that information technology plays a very important role for finding the buyer as digitalization is a challenge for the exports sector.

Shri S K Mandal, Regional Head Kolkata, APEDA, Ministry of Commerce and Industry, Government of India gave special address regarding the opportunities available under Food and Agriculture for export. He showed a presentation on use of Export and Schemes of APEDA.

Shri Pradyumna Kumar Choudhury, Deputy General Manager, SIDBI

in his keynote address appreciated the APEDA and OSCI for the Capacity Building event. He mentioned that the Banking sectors provides direct or indirect assistance, licencing, Bank guarantee to the MSMEs like training, collaboration with banks, marketing assistance, technology up-gradation, helps MSMEs to participate in international trade fairs to showcase their products in international markets.

Shri Swastik Swain, Secretary General, OSMEE in his keynote address mentioned the boosting of export through Odisha. Odisha has a lot of scope for export the food, fish, Agri Products and Millets.

Technical Session

Technical session was dedicated for Export, Marketing and Logistics. Shri Amit Kumar, ITS, Joint Director of Foreign Trade, DGFT, Shri S K Mandal, Regional Head Kolkata, APEDA, Ms. Nimeshika Natarajan, Assistant Director, World Trade Centre (WTC), Shri Bijay Kumar Jamuda, AGM, NABARD,

Prof. Dr. J R Das, Dean (Student Welfare), SOA University, Prof. Dr. S K Rout, Dean (Agriculture Science), SOA University and MSME. It was an interactive session between industry members and panel members. Panel members took many questions from industry and tried to solve as many issues as possible live.

This conclave & Expo is key focused area Foreign Trade, Export, Financing and Logistics are important for Micro, Small, and Medium Enterprises (MSMEs) and Start-ups as MSMEs and benefit significantly from protecting and help in enhancing their competitiveness, secure market position, attract investment, and increase the value of their business. He mentioned that exports and imports contributes enormously to our national and state economies and globalization and towards unfolding several challenges, Business Opportunities, Technology Innovation and Adoption, Central/State Schemes & Incentives, Banking Finance, Emerging Food Basket & Value Space Creation, strengthening Trade Linkages, Regulatory and Policy Issues and Market Trends & Development, Food Licencing issue etc.

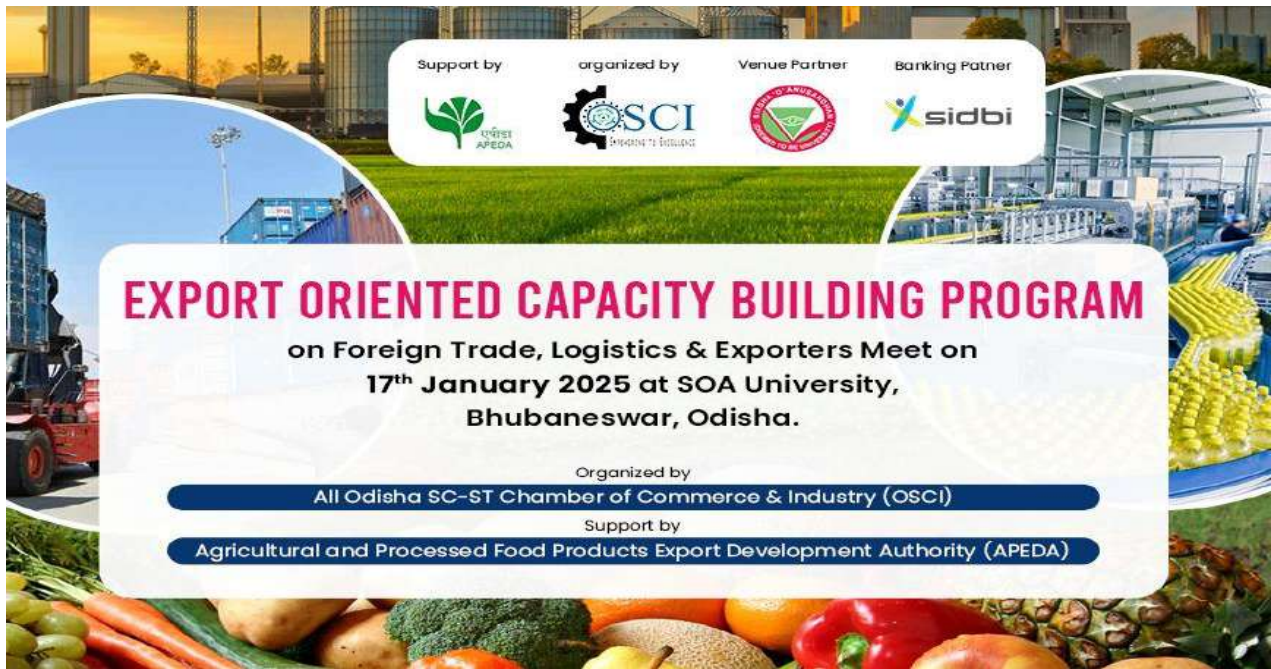

The interactive sessions wherein experts deliberated on the topics related to export/import its procedures, schemes and GST informatics, commercialization and logistics and also from the gamut of export related topics which are essential for businesses to grow and scale-up.

It was an interactive session between industry members and panel members. Panel members took many questions from industry and tried to solve as many issues as possible live.

More than 200+ delegates attended the program. Many Exporters and Industry members and FPOs and Entrepreneurs shared their business experiences and Ideas.

OUTCOME/ RECOMMENDATIONS:

All Odisha SC-ST Chamber of Commerce and Industries to start generic advertisement of Export oriented Agriculture and Food processing. The promotion of export and its awareness throughout India is critical for Odisha export of food and Agri economy. On the line of millet, meat and fisheries.

APEDA & DGFT, Govt. of Odisha officials and OSCI shared the benefit of Export to entrepreneurs, FPOs, Food & Agri Industry.

The export of Agri & Food Processing products has shown immense growth potential. The export of Marine products and services has made remarkable strides, in addition to the export of Agri products, Horticulture, Handicrafts, Handlooms, and Chemical and Allied sectors. The Government of Odisha is leaving no stone unturned to enhance the export landscape through adequate Infrastructure support and a robust Policy framework.

More than 200+ delegates attended the program. Many Exporters, Agriculture and Food processing Industry members, FPOs and Entrepreneurs benefited from the programme and shared their business experiences as well.

Listed below are the outcomes and recommendations and that were proposed from technical and interactive sessions:

- Awareness programs for the promotion of APEDA and DGFT Schemes.
- To address the challenge of adding millet to food basket, new appealing recipes should be developed.
- Current Export Compliances

- Challenges/ benefits under Foreign Trade Policy
- International Market Strategy and Product Market Identification.
- Assistance in participating in International Exhibition and buyer seller meet
- Financial solutions to start export
- Credit Risk management in Foreign Trade
- Improve of marketing of processed food and others ready to eat products outside India.
- Improving of packaging which are orchestrated to help and strengthen the food processing, Agri industry, small and medium industries etc.
- Registration of persons as exporters of the scheduled products and payment of such fees.
- Branding, packaging, and advertising are a must to reach a large base of consumers
- Exploring and understanding the gaps in productivity, technology, and extension for Agri & food processing promotion in Odisha
- The food processing specific interventions in agricultural input markets
- Finding opportunities and challenges for millets based food entrepreneurs
- The object to pursued overall development, the event benefited 200+ Exporters, Farmers, FPO's & Stakeholders and Entrepreneurs of Food Processing & Agriculture sector in Odisha.
- The presence of a large number of untapped markets will also encourage new players to enter the market.
- To provide valuable knowledge along with building capacity of farmers with latest technology required in this Food Processing sector
